The answer to your question; How do I keep coming up with the money I need for my daughters softball team events, etc.?

The one thing you can definitely rely on is that if your child is involved in **anything** it will cost you additional money. Here is an opportunity for you to be able to get the money for the incidentals that come up without breaking the bank.

Karen Mountain with Premier Designs High Fashion Jewelry is taking jewelry orders from the teams that are interested and giving back to the team 50% of her profit!!! More than $\frac{1}{2}$ of the catalog is priced at \$40 or less. All you would need to do is show a catalog to your friends and family and if they order your team makes money toward your incidentals.

If you are interested in participating in this or would like additional information please contact Karen at 951-445-1850. She can give you a catalog and/or schedule a time to present the jewelry to your friends and family.
