

VOLUNTEERS REGISTRATION INFO

If you sign up as a Volunteer ...

- 1) You WILL need to consent to your background check electronically first.
- 2) You WILL need to complete the SafeSport training second (takes about 30 minutes to 1.5 hours to complete depending on the course you are required to complete).
- 3) Both items from #1 and #2 above WILL need to be completed before you can be Approved by USA Softball.
- 4) An email will be sent to you with instructions on how to consent to your background check and complete the SafeSport training. Please don't do this ahead of time until after you've received the email from MVGSA Membership Coordinator and USA Softball because it has to be associated to our league and steps have to be completed by USA Softball on the backend prior.
- 5) Per our current rules (Article 2 – Intramural Division League – Section 10 – Team Personnel – B.5), SafeSport MUST be completed before the team's first game or Opening Day (whichever comes first). Completion of SafeSport is a USA Softball requirement.
- 6) You will NOT receive your MVGSA badge until you've completed consenting to your background check and your SafeSport training.
- 7) Background Checks and SafeSport certifications are good for 1 year (September 1, 2024 – August 31, 2025 – USA Softball calendar year.).
- 8) Any questions, please send email to membership_coordinator@mvgsa.com.
